

# SCHEDULE OF EVENTS

Scan the QR code or visit [picnicday.ucdavis.edu](http://picnicday.ucdavis.edu)  
for the digital schedule of events and live site

# WELCOME TO PICNIC DAY!

Join us at UC Davis' annual open house as we celebrate all that UC Davis and the surrounding community has to offer!

## ANIMAL EVENTS

There are over 40 events involving various animals including dogs, cats, birds, horses, goats, cows, rats, and more! Popular events include the police K9 demonstration on Russell Field, baby chick holding, and dogs catching frisbees on Hutchison Field!

## EXHIBITS

Celebrate the best that UC Davis has to offer! Exhibits range from eye-catching shows to exciting competitions, unique activities, and much more. Explore over 100 department-sponsored exhibits and experience the vast diversity of UC Davis!

## CHILDREN'S DISCOVERY FAIR

The Children's Discovery Fair offers crafts, activities, and entertainment for children to enjoy! Join us at Cruess Hall Lawn for a creative adventure waiting at your fingertips with activities from cape painting to marble mazes!

## LIVE PERFORMANCES

Come experience a new adventure and join us at the Sciences Lab Building, California Hall, East Quad, and Vanderhoef Quad for fun-filled performances of different genres and talents!

## STUDENT ORGANIZATION FAIR

The Student Organization Fair is an event that allows student groups to showcase themselves to the Davis community. Registered Student Organizations have information, fundraising, and food booths on the Quad. Come check them out!

## GET YOUR PICNIC DAY APPAREL!

## STAY CONNECTED!

### PICNIC DAY LIVE SITE

On Picnic Day, visit [picnicday.ucdavis.edu](http://picnicday.ucdavis.edu) on your phone to stay in the loop with what's happening on campus!

Check out Aggiefeed for live updates, exhibit information, and food options. Navigate campus with an interactive map. Vote on your favorite exhibits... and more!

### SOCIAL MEDIA

Tag us on Twitter & Instagram @ucdpicnicday or use #PicnicDay105 for a chance to be featured on the Picnic Day accounts!

## IMPORTANT INFORMATION

### EMERGENCY

#### SEE SOMETHING, SAY SOMETHING

If you see something suspicious or unusual, say something! Contact (530) 754-COPS (2677). Please have location and key information when calling.

#### FIRST AID TENT

10 AM-5 PM  
Parking lot across from Sciences Lecture Hall  
First Aid provided by Yolo County American Medical Response (AMR).

#### LOST CHILDREN'S BOOTH

10 AM-4 PM  
Cruess Hall Lawn, Children's Discovery Fair  
A central meeting place for your children should they become lost during the day. Take advantage of our lost child contacting system at the Children's Discovery Fair.

#### LIFE THREATENING EMERGENCY

In case of a life-threatening emergency, please call 911.

### TRANSPORTATION

#### SHUTTLE SERVICES

There is one free shuttle route for Picnic Day visitors. The shuttles will run from 9 AM-5 PM in 15 minute loops. Please refer to the map on page 12 for detailed shuttle stops.

#### PARKING

Parking is free on campus all day except in restricted spaces. For vehicle emergency assistance between 8 AM and 5 PM, call TAPS at (530) 752-8277.

### CAMPUS POLICIES

#### SMOKE & TOBACCO FREE

UC Davis is a 100% smoke and tobacco free campus. Learn more at [breathefree.ucdavis.edu](http://breathefree.ucdavis.edu).

#### DRUG & ALCOHOL FREE

Picnic Day is a drug and alcohol free event.

#### ZERO WASTE CAMPAIGN

The Quad, the Children's Discovery Fair, Hutchison Field, and many exhibits are part of the Zero Waste campaign on Picnic Day, where the goal is to recycle and compost as much waste as possible. Recycle your soda cans and water bottles, and compost your food scraps at one of our zero waste stations at the Quad and Hutchison Field!

### MISCELLANEOUS

#### BATHROOMS

Gender inclusive bathrooms provide a safe, private facility for transgender, genderqueer, and gender non-conforming people, families with children, and people with disabilities who may need assistance. Please refer to the map on page 12 for information on available bathroom locations.

#### PICNIC DAY HEADQUARTERS

Memorial Union  
If you have any questions or have a problem, please stop by and see us here. Contact us at (530) 752-6320.

## SCAVENGER HUNT!

Participate in the 7th Annual Picnic Day Scavenger Hunt!

The Scavenger Hunt is a fun way to attend Picnic Day events and win prizes. Prizes will be given to the top 20 groups to finish. Please refer to the rules on how the ranking is determined.

There will be one grand prize winner, with runner-ups receiving various prizes based on their final placement.

A big thank you to **BusyKidz** for helping sponsor the Scavenger Hunt.

### How to Play

1. Contestants will need a mobile device to access the scavenger hunt at [picnicday.ucdavis.edu](http://picnicday.ucdavis.edu)
2. Visit each of the Adventure Zones and scan or enter the alphanumeric code at that location
3. Groups of up to 4 may enter the scavenger hunt together, but only one prize will be given per smartphone/device.
4. The scavenger hunt will begin at 9 AM on Picnic Day and end at 3 PM.
5. If you think an alphanumeric code poster is missing from one of the locations, please contact Picnic Day Headquarters at (530) 752-6320.
6. Prizes will be given out based off of who gets all the locations in the shortest amount of time. In the event that multiple people get to all the locations, the winners will be determined based on the finish time.
7. If no one visits all the Adventure Zones, the winners will be determined by the highest number of locations scanned in the least amount of time.
8. Winners will be contacted via email by 3 PM. Please pick up your prize at the Picnic Day Headquarters at the Memorial Union before 5 PM.
9. Contact the Picnic Day Headquarters for any questions or concerns.

## PICNIC DAY PLEDGE

In a manner reflective of Aggie Pride, I pledge to:

- Conduct myself responsibly at Picnic Day 2019.
- Act and speak in ways that promote a welcoming environment and encourage feelings of respect for differences among people, culture, age groups, identities, etc.
- Step up and speak out in any situation that could potentially cause harm to another person or myself.
- Make safe and healthy decisions.

To take the pledge, visit [picnicday.ucdavis.edu/pledge](http://picnicday.ucdavis.edu/pledge)

## MESSAGE FROM THE CHAIR AND VICE CHAIR

The 2019 Board welcomes you to the 105th Picnic Day! As one of the largest student-led events in the nation, Picnic Day strives to bring people from Davis and beyond together to celebrate all that our community has to offer.

This year's theme is "Adventure Awaits," which captures both that Picnic Day itself is a day of adventure, exploration, and opportunity and that, for students, attending UC Davis is an adventure in its own right. Whether this is your first time at Picnic Day or you have attended for many years, we challenge you to learn something new from the over 200 exhibits, shows, and live performances happening across campus.

Picnic Day could only be possible with the incredible support of the University staff, campus officials, alumni, students, and community members. From us to you, we hope you enjoy the 105th Picnic Day as much as we have enjoyed planning it. Let the adventure begin!

Elise Pohlhammer  
Picnic Day Chair

Nicole Deacon  
Picnic Day Vice Chair

## MESSAGE FROM THE PARADE MARSHAL

Find your adventure at Picnic Day 2019! For some, it is your first glimpse into the wealth of energy, ideas, and creativity at UC Davis. Others will dash to your favorite events. This year, wander into new venues and follow different paths to discover an unknown talent of the students and departments at UC Davis – your adventure awaits at every turn.

My adventure at UC Davis began in 2014. It has been an amazing experience of opportunity and discovery. Come visit our world-class laboratory behind the Physics building where we recreate planetary collisions and unveil the mysteries of the universe. Each of us has traveled our own paths to UC Davis and today we celebrate the power of our connections to each other and our community. I am honored to lead this joyful day!

Sarah T. Stewart  
Professor, Dept. Earth and  
Planetary Sciences, UC Davis

## MESSAGE FROM UC DAVIS & CITY OF DAVIS POLICE DEPARTMENTS

UC Davis Campus community and visitors,

Welcome to the 105th UC Davis Picnic Day, *Adventure Awaits!* We are pleased you could join us for our annual open house and hope you experience all the campus and City of Davis have to offer. As a much revered tradition since 1909, we hope you have an enjoyable and safe visit to our campus and town.

As a reminder, UC Davis is a smoke-free and zero tolerance campus. Alcohol, tobacco, and marijuana are prohibited at all times. It's important to us that Picnic Day remain a community and family friendly event and your safety and campus security are our utmost priorities. When off campus, the same laws apply as any other day; you must be 21 years of age to carry or possess alcohol, and open containers are not allowed on City streets or sidewalks, including at many public parks and open spaces. The Davis and campus police will be enforcing alcohol, party, and noise prohibition ordinances, and many fines are doubled in an effort to keep everyone safe, so please celebrate responsibly!

We encourage all residents and visitors take the Picnic Day pledge and conduct themselves responsibly during Picnic Day 2019, so that everyone can see UC Davis is where Adventure Awaits!

Other helpful tips:

- If it's hot outside, remember to drink plenty of water and stay hydrated
- Never leave your valuables unattended
- Call 9-1-1 in case of an emergency

Safety is our number one priority, and together we can preserve Picnic Day for future generations of Davis students, faculty, staff, alumni and visitors. When the campus activities end, please head downtown Davis to enjoy some of the great restaurants or reminisce in your local favorites. Please, help us keep Picnic Day 2019, safe, fun, and memorable for everyone.

Joseph A. Farrow  
UC Davis Chief of Police

Darren Pytel  
City of Davis Police Chief

## MESSAGE FROM THE CHANCELLOR

Welcome to Picnic Day 2019!

Our campus has transformed dramatically since the roots of Picnic Day in 1909. Back then, the public was invited to bring a picnic lunch and celebrate the opening of our first dormitory, North Hall, and tour its new dairy barn. We've since grown from those humble beginnings as the University Farm to a thriving UC Davis campus with nearly 39,000 students and prestige as the 5th best public university in the nation.

But through all the students who've come and gone, and all the new lecture halls and facilities built over the past century, one thing hasn't changed: The spirit of friendship and sharing from the original 1909 picnic.

Picnic Day is a time for Aggies of the past, present and future to connect and celebrate our university. We also open our doors wide to friends, families and neighbors for discovery and fun all across campus. It's a day where all corners of UC Davis come alive, with the time-honored *Battle of the Marching Bands*, a campus fashion show, the beloved *Doxie Derby* and so much more.

Let's thank all the students and volunteers who run this successful extravaganza year after year. Their work helps showcase the tremendous breadth of our academic excellence, our research enterprise, our public service, our student life and, of course, our dairy barn.

LeShelle and I hope you enjoy Picnic Day 2019 and feel the Aggie pride!

Go Ags!

Gary S. May  
Chancellor

## SAFETY ENHANCEMENT ZONE

### EFFECTIVE

Friday, April 12 at 6 PM to Sunday, April 14 at 6 AM

\$400-\$485 per violation in the area within the confines of the map below

### Citable violations include:

- General noise (\$403)
- Urinating in public (\$403)
- Open containers of alcohol in public and in marked complexes (\$321)
- Smoking violations (\$485)
- Noise Citation: \$239 minimum anywhere in Davis
- No alcohol is permitted on campus.

# SUPPORT PICNIC DAY

## SUPPORT A TIMELESS AGGIE TRADITION

Since its inception in 1909, Picnic Day has become the crown-jewel event of the UC system and the signature event of UC Davis. One of the largest student-run events in the nation, Picnic Day showcases the richness of diversity and achievement at UC Davis and the surrounding community in the areas of research, teaching, service, and campus life. Gifts to Picnic Day provide needed financial support to continue this tradition.

# CHILDREN'S DISCOVERY FAIR

## CRUESS HALL LAWN

10 AM–4 PM

The Children's Discovery Fair offers crafts, activities, and entertainment for children to enjoy! Join us at Cruess Hall Lawn for a creative adventure waiting at your fingertips with activities from cape painting to marble mazes!

### ENTERTAINMENT

#### SoNoRae

12:30 PM–12:55 PM

Do you like K-pop? Do you like to sing along to music? If so, stop by and watch SoNoRae's performance! We will be singing K-pop songs for you and your family to enjoy!

#### Davis Wushu

1:00 PM–1:15 PM

We're a student-led martial arts club. We perform a variety of demonstrations on and off-campus to contribute to the rich cultural diversity offered by the Davis community.

#### Myah Bullis

1:20 PM–1:50 PM

A country/pop singer who sings unique and personal renditions of popular songs.

#### Poprocks Dance Team

2 PM–2:30 PM

A Davis based youth dance company that loves to support our community and perform at local events and school fundraisers!

#### SynRG

2:45 PM–3:30 PM

A local dance workshop that teaches all types of dance variations like salsa, flamenco, hip-hop, and many more!

#### Guitar Club

3:45 PM–4 PM

A UC Davis club aimed at introducing children to the acoustic wonders of the guitar!

### CRAFTS/ACTIVITIES

#### PAINTING STATION

##### Become a Bubble Painter!

Use a bubble wand to paint a magical, bubbly masterpiece!

##### Salad Spin Art

Don't like eating salad? Use a salad spinner to make your own colorful design instead!

##### Marbling

Combine water and paint to create some marble-lous art to take home!

##### Paint a Canvas!

Leave your mark with some colorful art! Help decorate the Children's Discovery Fair canvas.

#### CRAFT STATION

##### Puppet Bag

Make a bunny, cow, lion, chipmunk, giraffe, or new animal puppet that can also carry all your crafts and items!

##### Paper Roll Buddies

Create your own buddy from paper towel rolls! It can be anything from an animal to a monster!

##### Musical Shakers

Shake it off with CDF musical shakers made out of recycled water bottles!

##### Hanging String Planters

Learn how to tie knots (macrame) to create a cool hanging planter for your future plant!

##### T-Shirt Capes

Want to feel like a superhero (or a supervillain!) during Picnic Day? Stop by and design your own cape made from old t-shirts so you can fly off to your next adventure!

#### SENSORY BIN STATION

##### Ooey Goey Oobleck

Is it a solid? Is it a liquid? Come on over and find out for yourself!

##### Can You Find the ABC's

Come search for your favorite letter, number, or shape amongst a rainbow of colorful rice!

##### iSpy... Orbeez!

Find some unusual things in a bottle of orbeez! A small hamburger? A tube of toothpaste?

##### A MAZE-ing Race!

Can you get the marble through the maze? Come to find out how a-MAZE-ing you are!

##### Noodle Pool Ahead

Captain your own noodle ship! Or walk the noodle plank!

Get a free coloring book  
at the Children's Discovery Fair  
during UC Davis Picnic Day 2019

At Travis Credit Union, we're all about teaching people, especially our youth, about financial education, financial literacy and financial advocacy. In our free *Saving with T-bird & Family* coloring book, follow the journey as Little T-Bird learns about money.

You can learn more about our "Awesome Cause" at [traviscu.org/awesome-cause](http://traviscu.org/awesome-cause).

### BOOTHS/EXHIBITS

#### Craft with Nature

10 AM–2 PM

Turn fallen leaves and waste materials into art and gain knowledge in sustainability through crafting and hands-on learning. All crafting materials are compostable, recyclable, and environmental-friendly.

#### Bright Horizons Solutions - Family Development Center

Bright Horizons offers individualized learning with Magna-tiles, Imagination Small Blocks and bubbles to spark imagination and creativity in STEM-inspired learning.

#### Gyotaku - Japanese Fish Printing

YOLO County CASA is bringing beautiful fish printing crafts to the table for children to experience.

#### Taiwanese Folk Toys by Davis Chinese School

Children can play and make their own traditional Taiwanese folk toys such as Chopstick rubber band shooters, Marble tables, and Chinese Yo-Yo's.

# STUDENT ORGANIZATION FAIR

## WEST QUAD

10 AM–4 PM

### FUNDRAISING TABLES

**Aggie Gaming at UC Davis**  
Cake pops and nerf blasters

**American Institute of Professional Geologists – Student Chapter at UC Davis**  
Rocks and other small geology-related items

**Anthropology Club at UC Davis**  
Raffle for “anthropology basket” that includes shirts, an anthropology mug, anthropology books, stickers, and homemade baked goods

**The Belfry**  
Dunk tank throws and asking for donations

**Betty Irene Moore School of Nursing MEPN GSA Cohort 3**  
Asking for donations to fund cohort project, the Flower Project, that provides feminine hygiene products for underprivileged women

**Clinica Tepati**  
Asking for donations

**Davis Anime Club**  
Raffle and event tickets

**Davis College Democrats**  
Sugar cookies

**Davis Student Veterans Associations**  
Baked goods

**Delta Epsilon Mu**  
Baked goods

**Economics and Business Student Organization**  
Polaroid photo booth, crystal rocks and crystal rock necklaces

**The Environmental Club at UC Davis**  
Pins and zero-waste bags

**Japanese Language and Culture Connection**  
Custom painted Japanese fans and baked goods

**Knights Landing Clinic**  
Water bottles

**PERIOD**  
Stickers, buttons, t-shirts, feminine hygiene products

**Peruvian Student Association**  
Selling peruvian cookies

**Permias at UC Davis**  
Indonesian baked goods

**Project RISHI at UC Davis**  
Homemade baked goods and embroidered cards

**Puerto Rican Community Association**  
T-shirts, hats, stickers, art

**The REVIVAL Zine**  
Stickers, t-shirts, buttons

**Star Trek Club at UC Davis**  
T-shirts, buttons, baked goods

**Student Nutrition Association**  
Baked goods

**Whole Earth Festival**  
Vegan baked goods and asking for donations

**Wildlife and Aquatic Animal Medicine Club of UC Davis School of Veterinary Medicine**  
Animal themed face painting and shirts

## EAST QUAD

10 AM–4 PM

### FOOD BOOTHS

**Alpha Kappa Psi**  
Watermelon Balls, Slushies, and Lemonade

**Chicanx/Latinx in Health Education**  
Fruit Cups and Tamarindo Candy

**Circle K International**  
Root Beer Floats

**Japanese American Student Society**  
Matcha Ice Cream Floats

**Mga Kapatid**  
Chicken Adobo, Fries, Melon Juice

**Muslim Student Association**  
Halal Hot Dogs

**Mustard Seed Ministry**  
Bulgogi, Rice, Kimchi

**Nu Alpha Kappa Fraternity Inc.**  
Raspados, Cotton Candy

**Puerto Rican Community Association**  
Tostones, Sorullitos, Empanadillas

**Thai-American Student Association**  
Thai Tea, Tuna Sliders, Thai Custard Bread

**Theta Tau**  
Hot Cheeto Taquitos, Sweet Tea

# PICNIC DAY 2019 CAMPUS MAP

## Picnic Day Unitrans

On Picnic Day, a \$1.25 fare applies to everyone riding Unitrans bus lines, including UCD students. Senior and Disabled passes are the ONLY valid passes on Picnic Day. Buses run from 8:15 AM-6 PM. There is no set schedule for bus departures. Instead, each line will run a certain number of times per hour.

Find your line below:

2x per hour: B, E, F, K, L, P, Q, M, V, Z  
4x per hour: G

Further information and route maps can be found on the Unitrans website at [unitrans.com](http://unitrans.com)

## Picnic Day Parking Shuttle

The Picnic Day Shuttle is free to ride for Picnic Day visitors. The shuttle route will run continuously from 9 AM-5 PM in 15-minute loops (4x per hour). The shuttle will run from the Silo to the UCD School of Veterinary Medicine.

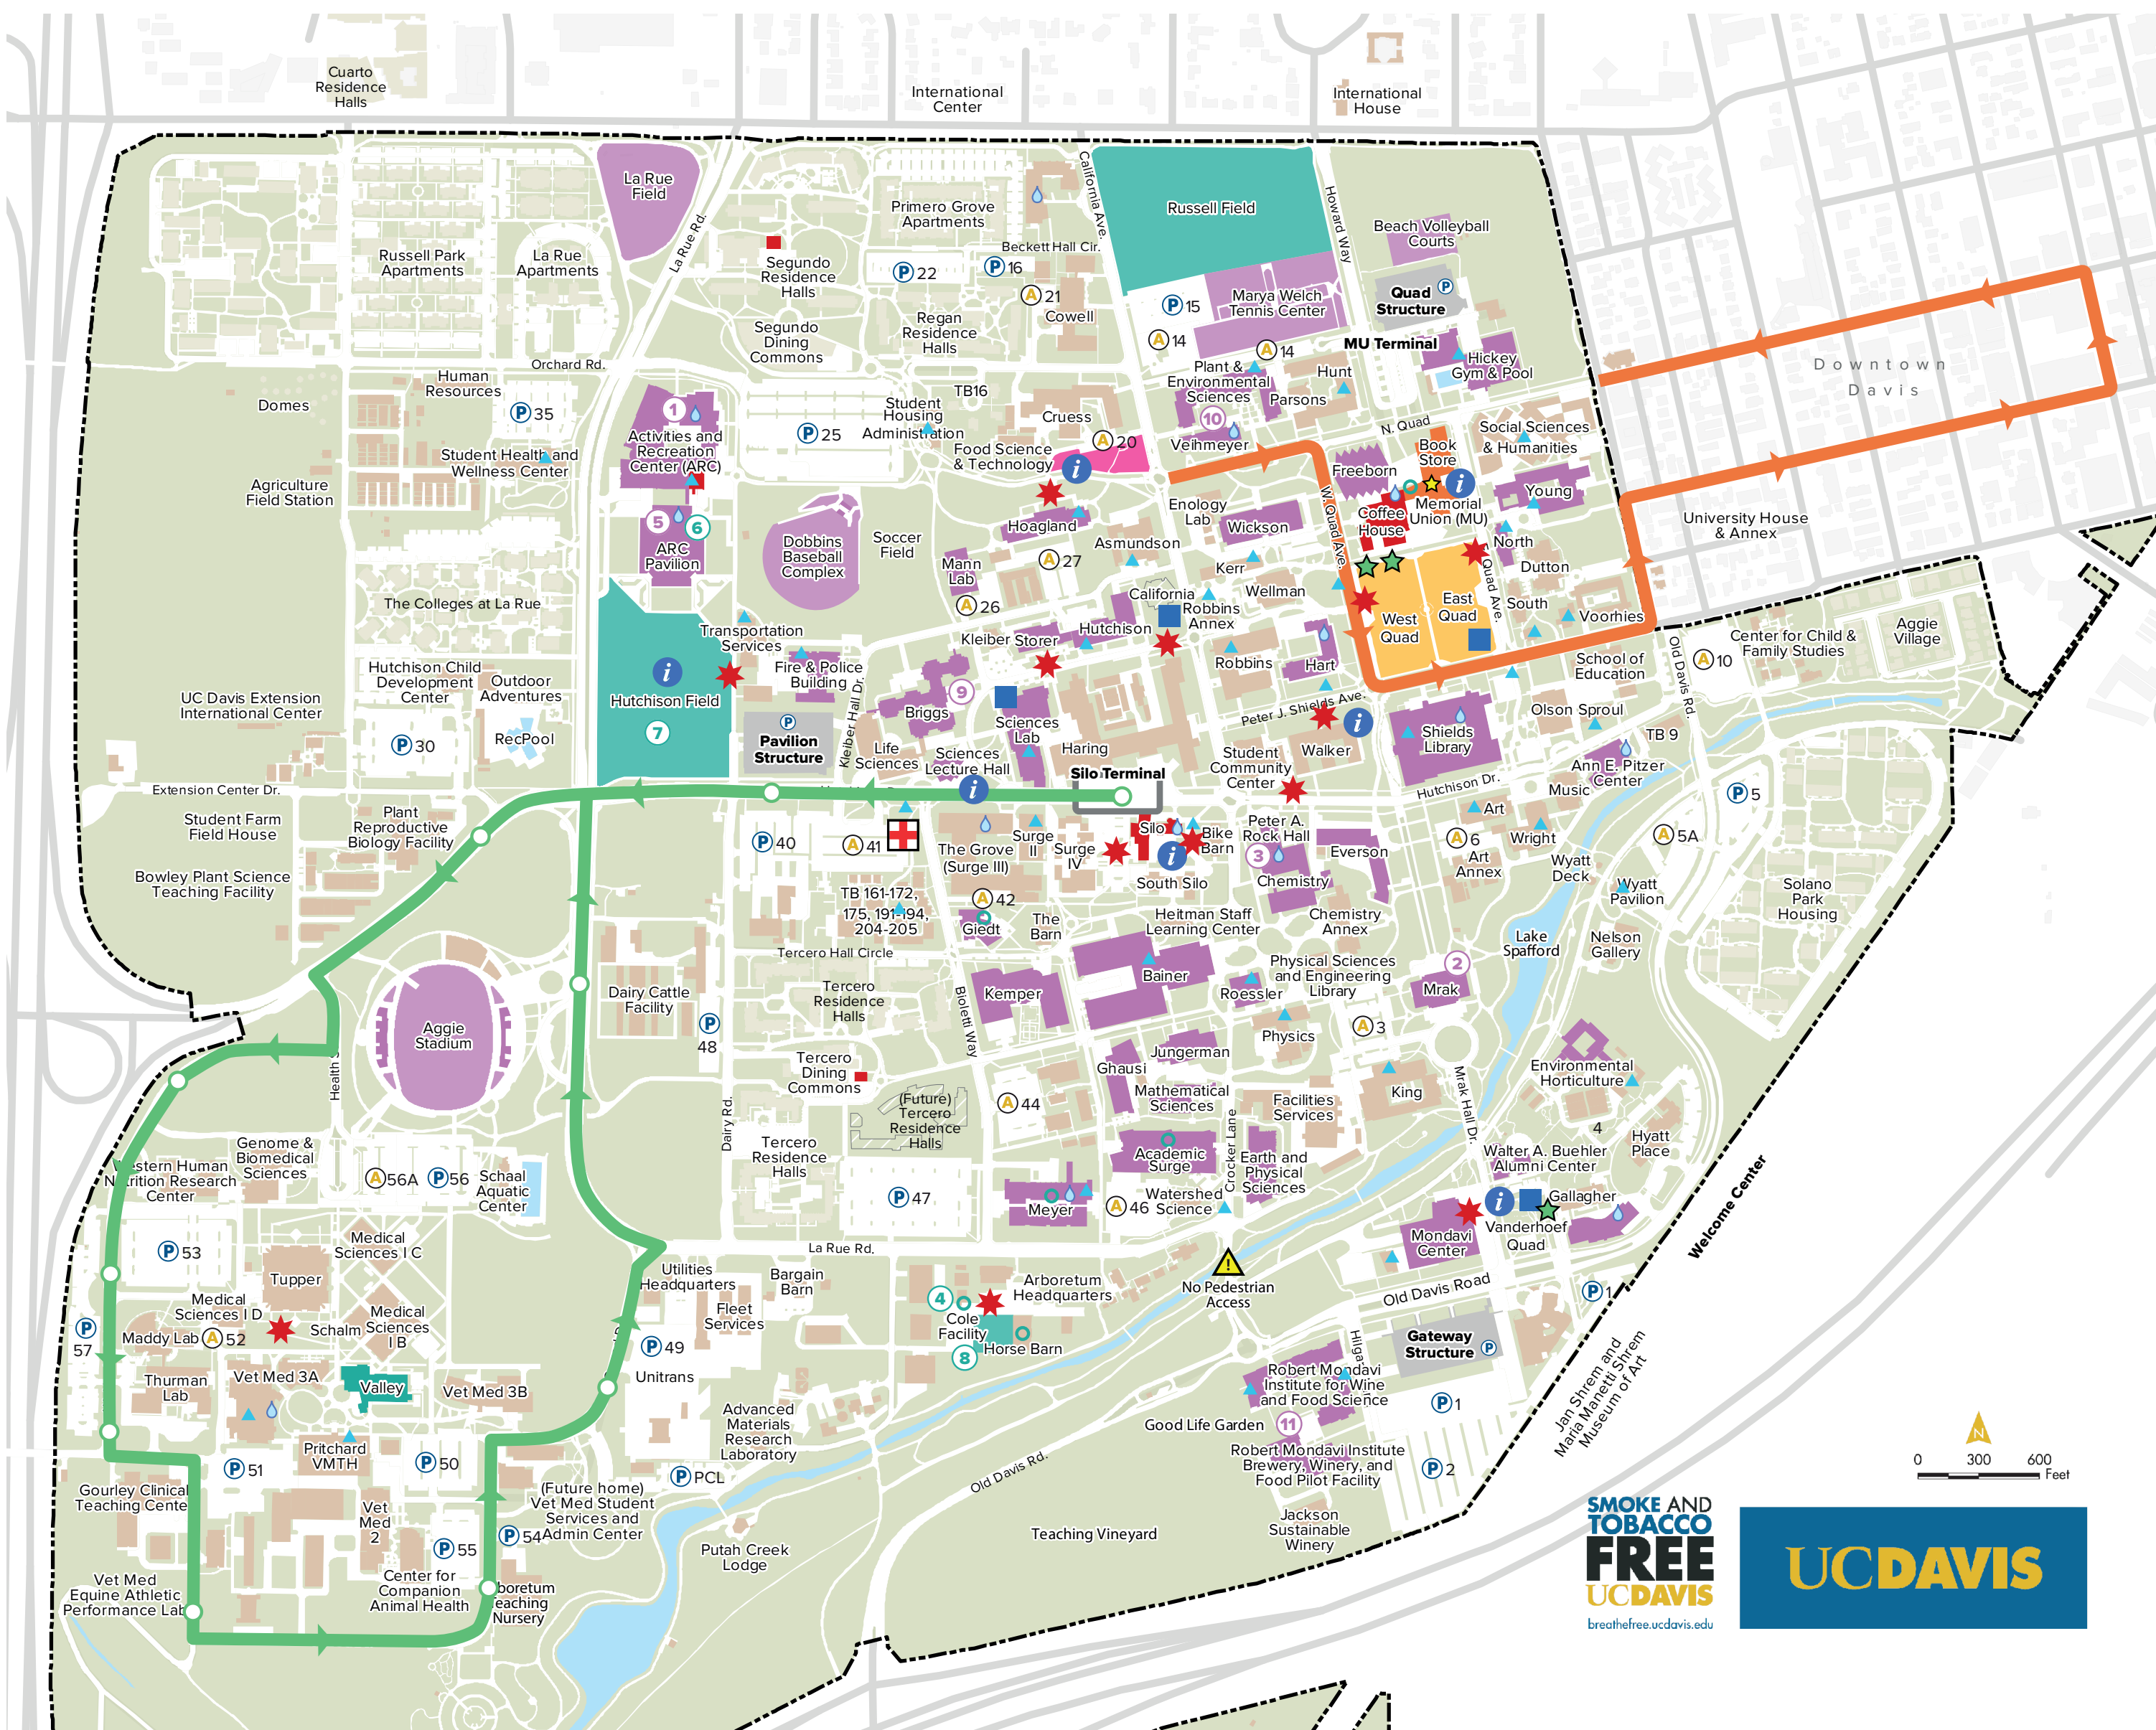

The shuttles can be tracked using [nextbus.com](http://nextbus.com)

# EXHIBITS

Almost all Picnic Day Exhibits are zero waste.  
We hope to achieve zero waste for all events by 2020!

Check out page 8 for showtimes!

## 8 AM

### Water Polo Alumni Games

Hickey Gym  
8 AM–9 AM  
Women and men's alumni and current sport club water polo team.

## 9 AM

### Adventures in Math and Stats

Mathematical Sciences Building  
Courtyard  
9 AM–3 PM  
Learn more about the fascinating worlds of Mathematics and Statistics! Play fun games to learn how math and stats play a part in your everyday life!

### Aggie Air

Memorial Union Patio  
9 AM–3 PM  
A promotion of the Aggie Air website and tool, along with information about the Smoke and Tobacco Free Policy.

### Anthropolooza!

Young Hall  
9 AM–4 PM  
Become an anthropologist for a day! Explore human and animal biology, diverse cultures, ancient technologies, and language through hands-on activities!

### Bake in the Benefits

Meyer Hall  
9 AM–4 PM  
Fuel your Picnic Day activities with delicious and nutritious baked goods from the graduate students in the Nutrition Department! Students will also be available to provide information about the graduate program and answer questions about nutrition and their research.

### Biotechnology Experiments: DNA Extraction and Cheese Making!

Briggs Hall 148  
9 AM–3 PM  
Come join us for fun biotechnology experiments including extracting DNA from strawberries and making cheese the biotech way!

### Bug Doctor

Briggs Hall  
9 AM–5 PM  
Meet an entomologist and talk about insects! Even bring some from your home or garden for identification!

### DNA and Glowing Genes

Storer Hall  
9 AM–3 PM  
Come make DNA bracelets, learn about genes, make a glow-in-the-dark drawing, and see plants and animals glow our dark booth!

### Doctor Death

Briggs Hall 122  
9 AM–5 PM  
Meet Dr. Bob Kimsey and find out how insects are used in Forensics!

### EE-Emerge 2019

Kemper Hall Lobby  
9 AM–5 PM  
See the mysterious 2D Surface! Challenge a friend to color light challenge! Play the infinity Rubik Cube! Watch water defy gravity at the Time Fountain!

### Entomology at UC Davis

Briggs Hall 122  
9 AM–5 PM  
Learn about insects and entomology from graduate students, faculty, and emeriti from UC Davis.

### Explore the Tree of Life

Storer Hall Lobby  
9 AM–3 PM  
Meet live animals, fungi, and plants. Learn how we're related to these creatures, what we share, and why we're different!

### Free Water Analysis for Metals by ICPMS

Plant & Environmental Sciences  
9 AM–1 PM  
Free water metals analysis by ICPMS. Submit sample in plastic water bottle pre-rinsed with sample water (no glass).

### Fruit and Nut Research & Information

Plant & Environmental Sciences  
9 AM–1 PM  
The Center provides practical advice in fruit and nut production, information on best management practices developed by the UC Cooperative Extension, and connections to current research and new technologies. Stop by and try a sample!

### Fun with the Entomology Club

Briggs Hall  
9 AM–5 PM  
Insect face art, with non-toxic water based paints. Interactive insect displays.

### Honey Tasting

Briggs Hall Courtyard  
9 AM–5 PM  
Come by and taste honey from UC Davis' very own Honey Bee Haven!

### Insect-Themed T-shirt Sales

Storer Hall  
9 AM–5 PM  
Popular insect-themed t-shirts such as 'The Beetles' are on sale via the Entomology Graduate Student Association.

### Let's Talk Isotopes!

Plant & Environmental Sciences  
9 AM–1 PM  
Find out what an isotope is and how stable isotopes are used to improve agriculture, track animal migrations, and determine diets of our ancestors. Includes hands-on activities and edible isotopes.

### Lil' Swimmers and Fly-tying

Briggs Hall 158  
9 AM–5 PM  
See live insects from streams and ponds, and learn the art of fly-tying for fly fishing from experts!

### Maggot Art

Briggs Hall Courtyard  
9 AM–5 PM  
Children (and grown-ups!) will get to create beautiful pieces of art using live maggots dipped in non-toxic paint.

### Master Gardeners

Plant & Environmental Sciences  
9 AM–3 PM  
Meet our master gardeners and get horticultural advice for your home garden and landscape.

### Mosquito Control

Briggs Hall  
9 AM–5 PM  
Learn about how to control mosquitoes and protect yourself.

### Open House: Center for Chicana and Latinx Academic Student Success

Memorial Union 2nd Floor  
9 AM–5 PM  
The Center for Chicana and Latinx Academic Student Success in collaboration with the Chicana/Latinx Alumni Association and the Latinx Staff and Faculty Association invite you to join us for a meet and greet.

### Photo Opportunity With Veggies

Plant & Environmental Sciences  
9 AM–2 PM  
Stop by to snap your photo with your favorite "Veggies"!

### Plant Give Away

Plant & Environmental Sciences  
9 AM–1 PM  
Stop by and pick up some plant seedlings to plant in your home garden.

### Popcorn Popping

Plant & Environmental Sciences  
9 AM–12 PM  
Come by and enjoy a bag of fresh popped popcorn!

### Seed Art

Plant & Environmental Sciences  
9 AM–2 PM  
Create your very own seed art ~ Fun for the entire family!

### The Living Earth

Plant & Environmental Sciences  
9 AM–2 PM  
Come and explore the living world beneath your feet with soil texturing, soil painting, and soil management advice!

### The Weed Doctor

Plant & Environmental Sciences  
9 AM–2 PM  
Meet Weed Scientists and learn how to help our garden grow strong!

### Tomato Genetics Resource Center

Plant & Environmental Sciences  
9 AM–1 PM  
Learn about the exotic and useful wild relatives of tomato native to South America. Then take our fun, yet challenging quiz, to test your knowledge about everyone's favorite fruit...or is it a vegetable?

### Tomato Timeline

Plant & Environmental Sciences 1130  
9 AM–3 PM  
A six panel historical review of tomato development at UC Davis.

### UC Davis CalTeach Mathematics and Science Teaching Program

Mathematical Sciences Building  
9 AM–4 PM  
Build your own kaleidoscope, create cubic bubbles, solve a math problem to open our treasure chest, and participate in other fun STEM activities, with CalTeach/MAST.

### UC Davis Integrated Pest Management (IPM)

Briggs Hall  
9 AM–5 PM  
Talk with expert entomologists about safely controlling pest insects.

### UC Davis Track & Field

Toomey Field  
9 AM–5 PM  
UC Davis Track & Field hosts the Woody Wilson College Open at Toomey Field, all day.

### Unmanned Aerial Vehicles (UAVs) In Plant Sciences

Plant & Environmental Sciences  
9 AM–12 PM  
Come see how plant scientists are using the latest generation of drones and aerial sensors!

### USDA, ARS, Davis Location

Wickson Hall  
9 AM–2 PM  
USDA, ARS Exhibits: Learn how the Agricultural Research Service benefit you and the community.

### Water Polo Alumni Games

Hickey Gym

9 AM–10 AM

Women and mens alumni and current sport club water polo team.

### Welcome Future Aggies!

Welcome Center

9 AM–4 PM

Come learn about academics, student life, housing, and admission requirements from a current UC Davis students. Tours will be held every 30 minutes.

### Groundwater 'Ant-Farm' Model

Veihmeyer Hall

9:30 AM–2:30 PM

Learn about the hydrologic cycle and see examples of how groundwater flows under your feet!

### Robotics and Makespace

Bainer Hall Lobby

9:30 AM–3:30 PM

Come to build, make, play, program, and control your own robotics systems using Linkbot developed by UC Davis C-STEM Center and Barobo, Inc. Create robots of your imagination!

### Stream Table

Veihmeyer Hall

9:30 AM–2:30 PM

Learn how rivers work by playing in our very special sandbox.

### Tahoe Environmental Research Center

Hart Hall

9:30 AM–3:30 PM

The exhibit will include an ongoing video as well as a poster board presentation of the historical and current Lake Tahoe related research, we will also hold 3, 20 minute lectures.

### UC Davis Fire Department Open House

UC Davis Fire Department

9:30 AM–4:30 PM

The UC Davis Fire Department will be having its annual Picnic Day Open House to celebrate over 100 years of service to the community. Come meet our personnel, explore our station, and view our apparatus!

### Your Brain Does What?

Science Lab Building 2041

9:30 AM–1 PM

NPB Club invites visitors to explore how our brains process constant stimuli via visual illusions and interactive demonstrations.

### Authentic Aggie Traditions Experience

Walter A. Buehler Alumni Center

10 AM–3 PM

Explore campus by completing 10 Authentic Aggie Traditions. This scavenger style activity is a race to the finish- receive a UC Davis Aggie Pride book (while supplies last).

### Authentic Aggie Zone

Walter A. Buehler Alumni Center

10 AM–3 PM

Celebrate with CAAA and enjoy giveaways, lawn games, and commemorate the day with an Aggie Pride themed photo at the Mirror Me Joy Photobooth! Vanderhoef Quad is the perfect place for a food truck lunch and is in prime location to partake in the fun festivities of The Gateway District.

### Avengers: Infinity Wire

Roessler Hall 66

10 AM–4 PM

Are you excited for Avengers: Endgame? Did you want a refresher on the first film? Come join the Physics Club as Tony Quark and his young pupil Peter Plancker stop Thorium Americium Osmium (ThAmOs) from collecting the fundamental particles and altering reality. Come see our show, Avengers: Infinity Wire!

### C.N. Gorman Museum of Native American Art

Hart Hall 1316

10 AM–3 PM

Stop by and see the solo exhibition "Comings & Goings: Works on Paper by Rick Bartow".

### Chemistry Show

Rock Hall and Chemistry Courtyard

10 AM–10:50 AM

The chemistry show features spectacular demonstrations that reveal the amazing chemical reactions involved in everyday life. Weather permitting, hands-on exhibits will also be available in the Chemistry Courtyard. Come experiment with us! Fun for all ages!

### CHMS Alumni BBQ

John A. Jungerman Hall (formerly

Crocker Nuclear Lab)

10 AM–2 PM

The CHMS Departments welcomes graduates to annual Alumni BBQ! This is an opportunity for Alumni to reconnect, network, and socialize with peers.

### College of Letters and Science Informational Table

Peter A. Rock Hall

10 AM–2 PM

Play a game to win a prize or just catch up on all the latest happenings with CL&S!

### Come Tour the Biological Orchard and Gardens!

Mann Laboratory

10 AM–3 PM

The Biological Orchard and Gardens (BOG) is a teaching garden in the heart of UCD campus! It is bursting with colorful wildflowers, lush fruit trees, and various garden plots full of native and exotic plants. Located near the Botanical Conservatory, stroll down our paved pathway, or enjoy the view from our tables under the shade!

### Cooperage Demo

Robert Mondavi Institute Brewery,

Winery, and Food Pilot Facility

10 AM–12 PM

A Master Cooper will run through the process of how a wine barrel is made!

### Engineering Alumni Lounge

Kemper Hall 1131

10 AM–2 PM

Relax and recharge with fellow engineering alumni, family members, and friends. Fill up your water bottle, charge your phone, and more to beat busy on Picnic Day.

### Engineering Student Design Center Open House

Bainer Hall 1220

10 AM–2 PM

The Engineering Student Design Center (ESDC) is where a engineering student gets to saw, cut, drill, turn, mill, weld, and 3/D print their ideas. We are located in 1220 Bainer Hall on the north side of Bainer Hall. Stop by and check us out.

### Explore Nature with Ecologists

Academic Surge 1371

10 AM–3 PM

Ecologists study interactions in na-ture. Here we share our adventures with California critters, fire impacts, relationships between people and the environment, and more. Features examples from the Museum of Fish and Wildlife Biology and kid-friendly microscopes to get a closer look.

### Flight Simulator and Aerospace Displays

Academic Surge 1113

10 AM–2 PM

Visit the HRVIP Lab to fly an aircraft simulator and view aerospace displays!

### Game Dev Club's Mini Arcade!

Kemper Hall Lobby

10 AM–4 PM

Play video games made by the Game Dev club! Talk with creators about art, design, and coding!

### Honey Tasting with the Honey & Pollination Center

Robert Mondavi Institute - Sensory

10 AM–2:30 PM

Featuring our giant UC Davis honey wheel! Come learn how pollinators are important to life on this planet! Join us for honey tastings and sales!

### IEEE Student Projects

Kemper Hall

10 AM–2 PM

Student-led electronics project by members of IEEE.

### KDVS 90.3 FM Open House

Freeborn Hall 4

10 AM–4 PM

Come visit the station of 90.3 KDVS and take a tour of UC Davis' radio station and see one of the largest public music collections in the country. Tours will be held every 15 minutes.

### Laser Maze

Kemper Hall 1003

10 AM–3 PM

Navigate your way through a maze made entirely of laser beams. Sure to be a popular attraction, get there early to avoid long lines!

### Liquid Nitrogen Sorbet

John A. Jungerman Hall (formerly

Crocker Nuclear Lab)

10 AM–2 PM

What boils at -320°F and is cold enough to burn? Liquid nitrogen, of course! If you would like to see this incredible chemical phenomenon and better yet, eat it, come on down to try our Liquid Nitrogen Sorbet!

### NATCAR

Bainer Hall

10 AM–5 PM

Autonomous Car Exhibit.

### Picnic Day Tie Dye

Everson Hall

10 AM–3 PM

Tie-dye is a modern term invented in the United States during the 1960s for a set of ancient resist-dyeing techniques. This activity lets you tie-dye a shirt by folding, twisting, pleating, or crumpling it and then binding with rubber bands and applying dyes. Tie-dye can also be used to create a wide variety of designs including spirals, peace signs, diamonds, and many others.

### Plant Pathology Picnic Day Display and Strawberry Plant Giveaway

Hutchison Hall

10 AM–3 PM

Come explore the field of plant pathology and plant a strawberry to take home and put in your garden. Have a question about plant diseases in your garden? Come ask us!

10 AM

### Athletics' Alumni Event

Howard Field

10 AM–1 PM

Athletics Department event open to all ICA alumni and their families.

### Police Exhibit

North Hall  
10 AM–3 PM

Games for prizes, popcorn, photo booth to capture your day. Safety information.

### Remote Sensing Photo Booth and Drone Display

Plant & Environmental Sciences  
10 AM–3 PM

Come get your picture taken in near infrared and thermal infrared color bands! Drones will be on display as well!

### Science Says: Carnival!

Hart Hall 1128  
10 AM–3 PM

Join us as we explore the science behind The Greatest Show on Earth-life! Try your hand at trivia, step into our scientist photobooth, pipette your way to a picture, or let us transform you into a tiger. All ages welcome!

### Shaking and Moving the Earth with Civil Engineers

Ghausi Hall Lobby  
10 AM–2 PM

Build K'nex structures and test them under earthquake conditions; create an earthquake; sculpt mountains and break dams without augmented reality sandbox.

### Silly Putty Kids Craft

Bainer Hall Lawn  
10 AM–2 PM

Join the AIChE community in a craft for the whole family! We will be creating silly putty out of borax and elmers glue! Don't miss out!

### Smart, Safe and Environment-Friendly Farming

Bainer Hall 1330  
10 AM–2 PM

Discover the latest technology and engineering solutions for a safe, productive, efficient and environment-friendly agriculture.

### Test Your Agronomy IQ

Plant & Environmental Sciences  
10 AM–2 PM

Try to identify the plants we have in our exhibit!

### The Cool Science of Ice Cream

Robert Mondavi Institute - Sensory  
10 AM–2 PM

Interested in learning about the science of ice cream and want some ice cream? Visit The Cool Science of Ice Cream booth to learn about dairy and non-dairy ice cream processing while enjoy a free scoop of ice cream. The ice cream was pre-made by student volunteers at the Pilot Plant, part of the Food Science and Technology Department.

### Theta Tau Rube Goldberg

Giedt Hall 1002  
10 AM–3 PM

Are you interested in intricate ways to get things done? Come see a Rube Goldberg machine in action and maybe even make one for yourself!

### UC Davis Olive Center Olive Oil Tasting

Robert Mondavi Institute - Sensory  
10 AM–2 PM

Enjoy the one-of-a-kind campus grown products "UC Davis Extra Virgin Olive Oil" with freshly baked bread! The UC Davis Olive Center is a self-supporting university/industry coalition that seeks to do for olives what UC Davis did for wine.

### UC Davis Plant Breeding Center - Strawberry

Plant & Environmental Sciences  
10 AM–11 AM

Visit the Plant Breeding Center table for a free UC Davis strawberry plant. Learn about plant breeding techniques, how we select for new varieties, and the life cycle of a strawberry plant.

### VIP Member Lounge

Walter A. Buehler Alumni Center  
AGR Room  
10 AM–3 PM

Come visit the Cal Aggie Alumni Association VIP Member Lounge at the Walter A. Buehler Alumni Center for free food and refreshments, relaxation, and to reconnect with other Aggies. This year the lounge will include live stream video of the Doxie Derby! Member-only event.

### Wild about Wildlife!

Academic Surge 1371/1375  
10 AM–3 PM

Explore wildlife with WFCB: live wild fish, face painting, wildlife kids crafts, and researchers exhibits on wildlife conservation work at UCD!

### Environmental Toxicology and Public Health

Meyer Hall 1135/1138  
10 AM–3:30 PM

The ETOX Exhibit includes information and activities related to a variety of current toxicology issues and public health. Includes student ETOX Club spin wheel game (win a prize!), student poster exhibit, children's crafts, lady bugs, and learning activities!

### Musics of the World Expedition

Pitzer Center  
10:30 AM–1:30 PM

Play or see instruments and music from around the world, and meet experts in their fields talk about them. Facility tours available.

### Weather Balloon Launch

Hoagland Hall  
10:30 AM–11:30 AM

Come watch a radiosonde launch, stay for the REAL DATA.

## 11 AM

### California Wildflower Show

Science Lab Building Lobby  
11 AM–3 PM

California wildflowers will be on display. The plants will be mostly local, and labeled with their current names. A microscope station will be available for viewing select flowers.

### Cockroach Racing

Briggs Hall  
11 AM–3 PM

We will be racing roaches on tiny tracks, all day long!

### Earth and Planetary Sciences at UC Davis

Earth and Physical Sciences  
Building 1314/1348  
11 AM–4 PM

Earth and Planetary Sciences are out of this world! Come for the dinosaur hat; stay for the science! Exhibits and demonstrations for all ages!

### Grapevine Giveaway

Robert Mondavi Institute - Sensory  
11 AM–2 PM

Come visit us to receive a free grapevine! We will have many varieties of both wine and table grapes.

### Library Open House & Children's Storytime

Peter J. Shields Library  
11 AM–2 PM

Adventure awaits at Shields Library! Join Storytime in Shields Courtyard (ages 2-5) at 11:15 AM, 12:15 PM & 1:15 PM with English Professor Frances Dolan. Visit exhibits on Harry Potter; Whole Earth Festival; and the 150th anniversary of the Transcontinental Railroad. Try our scavenger hunt, then slow down with our train-themed coloring sheet. Pick up a free cookie or book jacket, while they last!

### Manetti Shrem Museum

Manetti Shrem Museum  
11 AM–2 PM

Stop by the Manetti Shrem Museum on Picnic Day for art viewing, art enjoying, and art making! Join us under the Bill and Nancy Roe Grand Canopy for creative activities in the shade and visit our exhibitions. The museum is free for all!

### MASC's Annual Picnic Day Magic Show!

Science Lecture Hall 123  
11 AM–11:30 AM

Join the Material Advantage Student Chapter as they bring you on a Incredible Themed journey through the wonderful world of materials science! Three shows consisting of various audience-friendly demonstrations will take place at 11am, 12pm, and 1pm.

### Pie the Premed

Outside the Science Lab Building  
11 AM–2 PM

Answer a science question correctly, and you get to pie the pre-med!

### Seams Unreal 2019 Picnic Day Fashion Show

Activities & Recreation Center (ARC)  
Ballroom

11 AM–1:30 PM

What better way to kick off Picnic Day than to attend the once a year Picnic Day Fashion Show? All collections and single garments are made by UC Davis students!

### Tea and Conversation

Wickson Hall  
11 AM–1 PM

Find a restful moment in the Picnic Day excitement. Come by the Confucius Institute's booth for tea and conversation and take away a few insights about tradition, flavors, and tranquility from Chinese culture.

### The Amazing Atmosphere Exhibit

Hoagland Hall  
11 AM–3 PM

Visit the Atmospheric Science Department, get your face painted, and have some fun while learning about the weather at the same time!

### The Wonderful World of Microbes

Science Lab Building 2090, 2098  
11 AM–1 PM

Ever wonder about the tiny critters that make up the world around you? What about the ones inside of you? Curious to see favorite fictional characters made of bioluminescent bacteria? Explore all that and more at The Wonderful World of Microbes hosted by the Department of Microbiology and Molecular Genetics!

### UC Davis Big Ideas Exhibit

Outside Peter J. Shields Library  
11 AM–3 PM

UC Davis Big Ideas are forward-thinking, interdisciplinary programs and projects that will build upon the strengths of the university to positively impact the world for generations to come. Learn about how UC Davis is working to solve the world's most pressing problems, play games and earn prizes!

**Will Travel for Bugs: The Bohart Museum of Entomology's Collections From Around the World Academic Surge**

11 AM–2 PM  
It is never a lonely planet when you look for arthropods while traveling. Visit the Bohart Museum of Entomology with its world-wide, world-class collection. We will be highlighting a dozen different countries and some of their insect fauna. Come see which flags fly over some of Earth's most interesting animals.

**Women's Tennis vs. UC Riverside**  
Marya Welch Tennis Center  
11 AM–1 PM  
Come watch women's tennis take on UC Riverside.

**Chemistry Show**  
Rock Hall and Chemistry Courtyard  
11:30 AM–12:20 PM  
The chemistry show features spectacular demonstrations that reveal the amazing chemical reactions involved in everyday life. Weather permitting, hands-on exhibits will also be available in the Chemistry Courtyard. Come experiment with us! Fun for all ages!

12 PM

**College of Engineering Alumni and Prospective Student Drop-In**  
Bainer Hall Lawn  
12 PM–2 PM  
Visit the College of Engineering outside of the Engineering Student Design Center. Meet the Dean, grab some swag, and learn more about how Aggie Engineers are changing the world.

**MASC's Annual Picnic Day Magic Show!**  
Science Lecture Hall 123  
12 PM–12:30 PM  
Join the Material Advantage Student Chapter as they bring you on a Incredibles Themed journey through the wonderful world of materials science! Three shows consisting of various audience-friendly demonstrations will take place at 11am, 12pm, and 1pm.

**Oaks in the Arboretum**  
Robert Mondavi Institute Brewery, Winery, and Food Pilot Facility Courtyard  
12 PM–3 PM  
Come and learn about the different types of Oaks in the Arboretum. As well as participating in some fun interactive games.

**The Amazing Atmosphere Show**  
Hoagland Hall 113  
12 PM–12:30 PM  
Clouds, tornadoes, and wind, OH MY!! Enjoy a premier demonstration of atmospheric phenomena from graduate students in the Atmospheric Sciences.

**Tour of Terrors**  
Kemper Hall 1127  
12 PM–12:40 PM  
Brave your way through hair-raising scenes of health horrors. Watch BME save the day. Ticket distribution: 10:30 AM at 1127 Kemper.

**Winery Tours**  
Robert Mondavi Institute Brewery, Winery, and Food Pilot Facility Courtyard  
12 PM–2 PM  
Tours of the Robert Mondavi Institute Winery, given by Viticulture & Enology students and faculty.

**Women's Water Polo vs. CSUN**  
Schaal Aquatic Center  
12 PM–1:30 PM  
Watch women's water polo take on CSUN at Schaal Aquatics Center!

**Beach Volleyball vs. Pacific**  
UC Davis Athletics Beach Volleyball Courts  
12 PM–2:30 PM  
Come watch the first ever UC Davis Beach Volleyball season!

**Weather Balloon Launch**  
Hoagland Hall  
12 PM–1:30 PM  
Come watch a radiosonde launch, stay for the REAL DATA.

**Tour of Terrors**  
Kemper Hall 1127  
12:40 PM–1:20 PM  
Brave your way through hair-raising scenes of health horrors. Watch BME save the day. Ticket distribution: 10:30 AM at 1127 Kemper.

**Horticulture Innovation Lab Demonstration Center**  
Environmental Horticulture Building  
12 PM–3 PM  
Come visit this active demonstration site for students, faculty, and staff used to test new horticultural tools and demonstrate best practices for growing fruits and vegetables — particularly those helpful to small-scale farmers in developing countries.

1 PM

**Chemistry Show**  
Rock Hall and Chemistry Courtyard  
1 PM–1:50 PM  
The chemistry show features spectacular demonstrations that reveal the amazing chemical reactions involved in everyday life. Weather permitting, hands-on exhibits will also be available in the Chemistry Courtyard. Come experiment with us! Fun for all ages!

**MASC's Annual Picnic Day Magic Show!**  
Science Lecture Hall 123  
1 PM–1:30 PM  
Join the Material Advantage Student Chapter as they bring you on a Incredibles Themed journey through the wonderful world of materials science! Three shows consisting of various audience-friendly demonstrations will take place at 11am, 12pm, and 1pm.

**Softball vs. Cal Poly**  
La Rue Softball Field  
1 PM–3 PM  
Come watch Aggie Softball take on Cal Poly at 1 PM!

**The Climate Forum**  
Hoagland Hall 113  
1 PM–1:45 PM  
What is global climate change? Come and learn about Earth's climatic trends, what has changed over the past century, and what the future may hold.

**Women's Lacrosse vs. San Diego State**  
Aggie Stadium  
1 PM–3 PM  
Come watch the women's lacrosse team take on San Diego State at 1 PM!

**Tour of Terrors**  
Kemper Hall 1127  
1:50 PM–2:30 PM  
Brave your way through hair-raising scenes of health horrors. Watch BME save the day. Ticket distribution: 10:30 AM at 1127 Kemper.

2 PM

**Band-uh!'s Battle of the Bands**  
Mrak Hall  
2 PM–10 PM  
8 hours. Bands from all around. Who will win? Join us for music, dancing, and much more with bands from far and wide and your favorite Cal Aggie Marching Band-uh!

**Baseball vs. Cal Poly**  
Dobbins Baseball Complex  
2 PM–4 PM  
Come watch the Aggies take on Cal Poly at Dobbins Baseball Complex!

**Physics Public Lectures**  
Roessler Hall 55  
2 PM–4 PM  
UC Davis faculty share their insights into the Universe we live in, from the cosmos to the microscopic quantum world.

**The Amazing Atmosphere Show**  
Hoagland Hall 113  
2 PM–2:30 PM  
Clouds, tornadoes, and wind, OH MY!! Enjoy a premier demonstration of atmospheric phenomena from graduate students in the Atmospheric Sciences.

**Chemistry Show**  
Rock Hall and Chemistry Courtyard  
2:30 PM–3:20 PM  
The chemistry show features spectacular demonstrations that reveal the amazing chemical reactions involved in everyday life. Weather permitting, hands-on exhibits will also be available in the Chemistry Courtyard. Come experiment with us! Fun for all ages!

**Tour of Terrors**  
Kemper Hall 1127  
2:30 PM–3 PM  
Brave your way through hair-raising scenes of health horrors. Watch BME save the day. Ticket distribution: 10:30 AM at 1127 Kemper

**Weather Balloon Launch**  
Hoagland Hall  
2:30 PM–3 PM  
Come watch a radiosonde launch, stay for the REAL DATA.

4 PM

**The Amazing Atmosphere Show**  
Hoagland Hall 113  
4 PM–4:30 PM  
Clouds, tornadoes, and wind, OH MY!! Enjoy a premier demonstration of atmospheric phenomena from graduate students in the Atmospheric Sciences.

7 PM

**Davis Dance Revolution**  
Pavillion at the ARC  
7 PM– 10:30 PM  
Davis Dance Revolution (DDR) is an annual dance competition that features traditional and modern student dance groups at UC Davis. Each year these talented groups go head to head to see who will be crowned the most skilled dance organization on campus. Cheer on your #DancingAggies as they compete and prepare to be dazzled! Doors open at 6PM! Ticket distribution found online!

# ANIMAL EVENTS

9 AM

## Veterinary Medicine Information Table

*Hutchison Field*  
9 AM-4 PM

Stop by to find out about attending the #1 ranked School of Veterinary Medicine or about getting your animal treated at our community practice or in one of our more than 30 medical specialties.

10 AM

## Canine Medicine Club Frisbee Dog Contest

*Hutchison Field*  
10 AM-12 PM

The Frisbee Dog Contest is a timed event in which each team (dog and handler) competes in 60 second rounds, attempting to score as many points as possible by completing catches on a marked field. There are 2 rounds; the first round will include all competitors, with the top 10 dogs advancing to the final round.

## Lindsay Wildlife Experience: Hospital and Museum

*Hutchison Field*  
10 AM-1:30 PM

Come visit with Lindsay Wildlife Experience, the first wildlife hospital in the country and a wonderful natural history museum. We rescue sick, injured, and orphaned wild animals with the goal of successfully returning them to nature. When animals are unable to be returned, we provide them care for life! Our animal care and education programs truly connect people with wildlife.

## American Brittany Rescue

*Hutchison Field*  
10 AM-2 PM

Meet rescue dogs, talk to volunteers, and learn about rescue of these wonderful bird dogs.

## NorCal Sheltie Rescue, inc.

*Hutchison Field*  
10 AM-2 PM

NorCal Sheltie Rescue volunteers and their Shelties will greet Picnic Day participants with an opportunity to Pet-A-Sheltie and learn more about this beautiful and intelligent breed.

## Sacramento SPCA

*Hutchison Field*  
10 AM-2 PM

Come meet with some of the animals available for adoption at Sacramento SPCA! If you already have a pet in your life, learn about the services we offer for pet owners in our community. We'll also have information about volunteer opportunities and our popular youth programs.

## Dogs Making a Difference

*Hutchison Field*  
10 AM-2:30 PM

We will have an informational booth about Canine Companions for Independence with dogs and their puppy raisers, and graduates.

## The Artificial Cow Gut

*Meyer Hall Courtyard*  
10 AM-2:30 PM

The Rumen Simulation Technique (Rusitec) is an example of an artificial gut system that is modeled after the bovine rumen. The rumen is the compartment in the bovine stomach responsible for microbial fermentation. This system allows us to study the effects different feeds and feed additives have on the microbial system and greenhouse gas emission.

## Adventure Awaits Those With Careers in Animal Welfare!

*Cole Facility*  
10 AM-3 PM

Interested in informing standards for the treatment and housing of food animals, ensuring zoo animals receive appropriate care, or aiding animals affected by natural disaster? Discover the diverse careers held by animal welfare scientist and learn about opportunities working with everything from bees to buffalo, cows to cats, and more!

## AFS Fishes of California

*Academic Surge 1113*  
10 AM-3 PM

The Sacramento-Davis AFS subunit will be displaying native and non-native fish of the California region.

## Animal Biotechnology Booth

*Cole Facility*  
10 AM- 3 PM

Learn about animal biotechnology and its applications to animal welfare by visiting with our gene edited polled cattle. Learn about how horns grow, how and why they are removed, how the animals are impacted, and possible genetic solutions.

## Animal Science Beef Barn

*Cole Facility*  
10 AM-3 PM

Several beef breeds on display. Cow calf pair, range bull, and yearling steer.

## Animal Science Meat Lab Informational Table

*Cole Facility*  
10 AM- 3 PM

Visit the UC Davis Meat Lab table to learn how meat is processed and learn where your favorite cuts come from and how to prepare them.

## Aquaculture Extension

*Cole Facility*  
10 AM-3 PM

Come learn about the science and practice of aquaponic food production! See how the Dept. of Animal Sciences is using aquaculture byproducts to grow delicious and nutritious vegetables.

## Chicken Hatching

*Meyer Hall 1330*  
10 AM-3 PM

Visitors will walk around to view chicks actively hatching from eggs in tabletop incubators, where other posters and displays will be shown. Volunteers from the lab will be present to answer questions and keep an eye on the incubators.

## Cow Milking

*Cole Facility*  
10 AM-3 PM

Public will have the opportunity to hand milk a dairy cow with the assistance of students from the ANS 146 Dairy Cattle Production course.

## Dairy Facility

*Cole Facility*  
10 AM-3 PM

Facts and trivia about the dairy industry and UCD dairy.

## Guess the Weight of the Pig

*Cole Facility*  
10 AM-3 PM

Stop by to guess the weight of the pig to win a free ham and learn about pork production.

## Learn About Endangered Species with the Genomic Variation Laboratory!

*Cole Facility*  
10 AM-3 PM

Come learn about the GVL's cutting-edge genetic research on California's endangered species and take home a unique, endangered species themed craft!

## Meat Me in Davis

*Cole Facility*  
10 AM-3 PM

Are you curious about the meat on your plate? Join the Meat Quality & Safety Research Lab this Saturday to discover where the meat you eat comes from and how you can prepare it safely, with mini-games and prizes!

## Meet the Birds and Volunteers of Mickaboo Companion Bird Rescue

*Hutchison Field*  
10 AM-3 PM

Thinking about a pet parrot? Have questions about your pet birds? Come see us!

## Petting Zoo

*Cole Facility*  
10 AM-3 PM

An exciting opportunity to pet farm animals: calves, lambs, and goat kids. Bring the whole family!

## Rodents in Research

*Cole Facility*  
10 AM-3 PM

Come play with laboratory rats. Learn about their care and the role they play in keeping you healthy. Stop by and see us!

## Sturgeon Exhibit

*Cole Facility*  
10 AM-3 PM

Display of two species of sturgeon of commercial and ecological importance to California. UC Davis is the prominent institute researching these native California sturgeon.

## The Mystery of the Linked Gene

*Cole Facility*  
10 AM-3 PM

So you want to be a gene detective? Here's your first case: The mystery is that something is making cows sick. The suspects are genes in the cows DNA. Can you help us solve the mystery of which genes are involved in making the cows sick?

**Wonders of Wool**

*Cole Facility  
10 AM–3 PM*

A display of shorn and unshorn sheep, video of the shearing process and wool samples to be handled and analyzed by visitors.

**Young Cattlemen's Association**

*Cole Facility  
10 AM–3 PM*

Come join us for information about the cattle industry and handouts packed with great recipes. We also will have coloring for the kids, chalk cattle branding and dummy roping. Great for adults and children.

**UCD, Bodega Marine Laboratory**

*Memorial Union 14 and 15  
10 AM–3:30 PM*

Interested in marine life? Then come check out our Touch Tank with marine invertebrates and algae and use microscopes to take a closer look! You can also learn about the new UCD Marine and Coastal Science Major, UCD marine science courses, and research at the Bodega Marine Laboratory. Kid friendly and an all day event!

**Bats Help Us All**

*Hutchison Field  
10 AM–4 PM*

View live California native bat species and learn about their importance in our everyday life and to farmers. You may even see one eat an insect. Bats eat crop pests and bothersome insects. Learn about issues they face and how we can help them.

**Bay Area Disc Dogs**

*Hutchison Field  
10 AM–4 PM*

Watch and be amazed as the 'Bay Area Disc Dogs' team demonstrates an innovative way to have some freestyling fun with your pups!

**Bay Racers Flyball Demonstration**

*Hutchison Field  
10 AM–4 PM*

Flyball matches two teams of four dogs each, racing side-by-side. Each dog must run down the jumps, trigger a flyball box, release the ball, retrieve the ball, and return over the jumps. The first team to have all 4 dogs finish the course without error wins the heat.

**Canine Medicine Club Information Booth**

*Valley Hall Patio  
10 AM–4 PM*

The CMC club members will be running a Canine Medicine information booth to answer the public's questions regarding general health and wellness of dogs.

**CANTER California**

*Hutchison Field  
10 AM–4 PM*

Stop by today and meet CANTER California! We provide retiring Thoroughbred racehorses with the chance to transition to new careers. Learn about horses currently available for adoption, as well as volunteer and internship opportunities!

**Feline Rescue Showcase**

*Giedt Hall 1001  
10 AM–4 PM*

Come enjoy adorable kittens from local feline rescue groups, kitty cat crafts, and a veterinary student guided introduction to feline medicine! Join us for a cat-tastic day!

**Lots of Fun with Rotts of Friends**

*Hutchison Field  
10 AM–4 PM*

We are a non-profit animal rescue for all breeds which offers rehabilitation and free lifetime training for dogs adopted from us. Yolo Canine Academy's trainer, Renee Lancaster, will be available to answer questions, offer free advice, and perform demonstrations of various obedience training techniques. We will have an obedience demonstration from 1-1:30 PM.

**Northern California Weimaraner Rescue Public Relations Booth**

*Hutchison Field  
10 AM–4 PM*

Northern California Weimaraner Rescue is a 501c3 non-profit breed-specific rescue organization of all-volunteer passionate Weimaraner lovers who have been helping these amazing dogs get a second chance for over a decade. We invite you to meet a Weimaraner at our booth, or explore volunteer, adoption, and donation opportunities at [www.norcalweimrescue.org](http://www.norcalweimrescue.org)

**Palomacy Pigeon & Dove Adoptions & Rescue**

*Hutchison Field  
10 AM–4 PM*

Come meet the amazing unreleasable pigeons & doves that Palomacy rescues & re-homes. Pigeons are super smart, emotional, personable & there are a great many, bred for & lost by business & sport in need of homes. Learn all about these amazing & misunderstood birds.

**UC Davis Center for Equine Health**

*Hutchison Field  
10 AM–4 PM*

Come meet some of our teaching herd horses and learn more about the Center for Equine Health! We are dedicated to advancing the health, welfare, performance and veterinary care of horses through research, education and public service.

**Yolo Basin Foundation**

*Hutchison Field  
10 AM–4 PM*

Yolo Basin Foundation's mission is to expand public appreciation and stewardship of wetlands and wildlife in the Yolo Basin through education and innovative partnerships. Learn about upcoming wetlands and wildlife events and how to get involved!

**11 AM**

**Police K-9 Demo**

*Russell IM Field (East Side).  
Helicopter landing zone (West Side)  
11 AM–12 PM*

UC Davis Police K-9 Charlie and regional area K-9 Teams will demonstrate obedience, agility, and search/apprehension. Last year, a CHP helicopter came by to visit. Stop by the show!

**Animal Science Honors Research**

*Cole Facility  
11 AM–1 PM*

Honors students in the Department will post and share research posters describing their research efforts and experiences as budding Animal Scientists undertaking ANS194H during the 2018-2019 academic year.

**Painted Horse**

*Cole Facility  
11 AM–2 PM*

Muscles will be painted on a Morgan horse as a live illustration of equine anatomy.

**Chick Handling Exhibit**

*Meyer Hall 1338  
11 AM–2:30 PM*

Visitors will enter the room a few at a time, to each hold or pet a baby chick while closely supervised by staff from the Avian Facility. All visitors are required to clean their hands before exiting this exhibit.

**12 PM**

**Doxie Derby**

*Pavilion at the ARC  
12 PM–2 PM*

The Doxie Derby is iconic to UCD Picnic Day. The little doxies will run their hearts out center stage at the Pavilion looking to win first prize and the hearts of 1000s in attendance!

**Animal Science Goat Milking**

*Cole Facility  
12 PM–3 PM*

Join the Animal Science Goat Facility and learn how to hand milk a goat!

**1 PM**

**The Science of Horse Breeding**

*Cole Facility, Horse Arena  
1 PM–2 PM*

Join us for an inside look into the science behind equine reproduction! Event includes demonstration of techniques for stallion collection and artificial insemination.

**2 PM**

**Draft Horse and Driving Club**

*Cole Facility, Horse Arena  
2 PM–3 PM*

Stop by to see our gentle giants in action! Learn more about draft horses and how to drive them with a demonstration by the Draft Horse and Driving Club!

**3 PM**

**UC Davis Horse Polo Team Demonstration**

*Cole Facility, Horse Arena  
3 PM–4 PM*

Current and past UCD polo team members will play a demonstration match at the Cole Facility Arena. Coach Mike O'Farrell will give an in-depth description of the game and the history of polo, both in general and at UCD. Come learn the history and rules of polo and watch UCD past and present polo team members play a demonstration match at the Cole Facility Arena!

# TABLE OF EVENTS

Check out the Exhibits and Animal Events section for a more detailed description of these events!

Location	Page	Event Name	8 AM	9 AM	10 AM	11 AM	12 PM	1 PM	2 PM	3 PM	4 PM
Academic Surge	17	AFS Fishes of California									
	14	Explore Nature with Ecologists									
	14	Flight Simulator and Aerospace Displays									
	15	Wild about Wildlife!									
	16	Will Travel for Bugs: The Bohart Museum of Entomology's Collections From Around the World									
ARC Ballroom	8, 15	Seams Unreal 2019 Picnic Day Fashion Show
