

POINDEXTER RE-APPOINTED.

Governor Pindall has re-appointed Hon. L. B. Poindexter county and probate judge of Lawrence county. Judge Poindexter resigned last May, because of ill health, and his place was filled by the appointment of Harry L. Ponder, a well-known young attorney of Walnut Ridge. Recently Judge Poindexter regained his health sufficiently to return home, and his successor immediately notified Governor Pindall of the fact and asked that he be re-appointed to his former position. At the same time Mr. Ponder tendered his resignation as county and probate judge.
